Work Socks Dri-release® Heavy

xplor

Web link

Heavy work socks with drirelease® fabric and reinforced heel and toe.

The moisture-wicking and fast drying properties of drirelease® ensure your feet stay dry and warm, and reduce the risk of blisters.

The socks come in a three-pack, so minimum order is 3 pieces.

5-year replenishment guarantee.

QUALITY

85% dri-release, 7% lycra, 4% polyamide, 4% elastane.

FEATURES

Warm, soft, durable and eco-friendly work socks with drirelease® fabric.

Drirelease® is a patented blend of synthetic and natural fibres that helps to wick away moisture and heat. This durable and eco-friendly fabric is also treated with FreshGuard® technology for odour control.

SIZES

The socks are available in size 36/39 – 40/43 – 44/47 – 48/51.

COLOURS

Black 9000

PACKAGING

Packs of 3, packed individually with band and hangtag.

CARE

Machine wash at 40°C, suitable for tumble-drying on low.
